On 6th March 1985 the Development Control Sub-Committee of the Environment Committee on behalf of the County Council granted planning permission for development comprised in application RR/85/51(CM) (Removal of existing Aerial Ropeway and replacement with an Overland Conveyor installation, land between Brightling Mine and Mountfield Gypsum Works). In granting the planning permission the Sub-Committee imposed a schedule of conditions, Condition 12 reading as follows :-

"The conveyor shall only be operated between the hours of 7.00 am and 11 pm on Mondays to Fridays inclusive and 7.00 am and 3.00 pm on Saturdays and not at all on Sundays and Bank Holidays, without the prior consent in writing of the County Planning Officer."

On 28 March 1990 the Development Control Sub-Committee of the Environment Committee on behalf of the County Council gave delegated powers to me to vary condition No. 12 to read :-

"Except in the case of emergency, the Conveyor shall only be operated between the hours of 0600 on Monday and 1500 on Saturday inclusive and not at all on Sundays or Bank Holidays without the prior consent in writing of the County Planning officer."

I hereby approve the variation to Condition No. 12 under the powers delegated to me on 28 March 1990.
