

## Notes

- |                        |                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.                     | Do not scale from this drawing on print or electronically. Work from figured dimensions only.                                                                                          |
| 2.                     | No deviation from the details on this drawing is allowed without CampbellReith's prior permission in writing.                                                                          |
| 3.                     | Read this drawing with all Architect's, Service Engineer's and CampbellReith's relevant details, specifications and drawings.                                                          |
| 4.                     | All work is to be done in accordance with the relevant specifications issued by CampbellReith, British Standards Codes of Practice, Statutory Requirements and the Contract Documents. |
| 5.                     | <u>Drawing status:</u>                                                                                                                                                                 |
| <b>P: Preliminary</b>  | Evolving drawings for approvals, tenders, billings etc.                                                                                                                                |
| <b>C: Construction</b> | Fully developed drawings issued under instructions for construction.                                                                                                                   |
| 6.                     | Only status C drawings to be used for construction.                                                                                                                                    |

Work in progress
