

LOCATION PLAN 1:1250

## SITE NOTES

- The whole site is under development as part of ESCCS Primary Capital Programme (PCP) (planning application approved LW/2809/CO), requiring a clear route adjacent to the proposed Nursery and Children's Centre for construction and access to other areas of the site. Road/park layout b/c.
- The existing temporary classroom is to be relocated adjacent to the temporary classroom to the south of the sports court as separate planning application (PP-00798158).
- Spoil from the development is to be used to fill the pool with any left over used to landscaped the existing banks to provide extended play areas to the south of the existing school.
- Existing disused swimming pool area is to be remade into a hard play area with safety surface covering where the pool used to be.
- New retaining wall and banking works required where shown.

BLOCK PLAN 1:250
