Do not scale from drawing.

Statutory Authorities, in relation to Planning or Building Regulation matters only, may scale from drawing when scale is identified. Check all dimensions and levels on site and verify with all other contract information prior to fabrication or construction. Any conflict or difference to be brought to the attention of the Contract Administrator before undertaking works.

Structural work indicated shall include coordination with the Structural Engineers design drawings, specification and calculations before commencing site operations. These drawings and designs and the Copyright thereof are the property of Inmatec Hudson Architects. They must not be used, retained or copied without their written permission.
