Comments

Reference: LW/799/CM(EIA)

Description: The construction and use of plant, namely aggregate processing plant, aggregate bagging plant, concrete batching plant, concrete block-making plant and buildings, ancillary offices and stores for processing and utilising aggregates landed at Newhaven Port and distribution of the products by road and rail together with access to the public highway and the extension of an existing rail siding.

Comments: Living on the Eastside of Newhaven, I strongly object to this proposal. The beach is very important to the town particularly when the west beach is closed. Considering no health impact has been completed and submitted must only mean that there will be an impact to the health and wellbeing of the residents of newhaven and surrounding areas

Comment date: 07/12/2017
