Dear Sir,

Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill, Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/2474/CC(EIA) – Condition 11 (Out of Hours Working).

We are writing to request out of hours working related to the construction of the gabion walls to the south of Ninfield Road Overbridge. The requested dates and times are as follows:

- Sunday 04th October 09:00hrs – 16:00hrs;
- Sunday 11th October 09:00hrs – 16:00hrs; and
- Sunday 18th October 09:00hrs – 16:00hrs.

The reason the works are proposed to be carried out during the above hours is to overcome the difficult ground conditions encountered and the need to work in a continuous manner to ensure the link road can be opened to the public as soon as possible.

The planned plant and equipment involved in the above operations shall be as follows:

- 1 x 9t 360 Excavator;
- 1x 9t Dump truck;
- 1x Transit van; and
- Small tools.

The planned resources involved in the above operations shall be as follows:

- 1x Supervisor;
- 1x 360 Excavator operator;
- 1x Dump truck driver; and
- 2x General operatives.

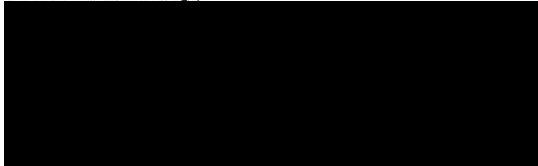

In addition to the above request, we would also like to request out of hours working related to the removal of the temporary pedestrian/service bridge adjacent to Ninfield Road Overbridge. Works on this bridge are being undertaken all this week and therefore this is only a contingency, should the removal works not be complete by the end of Saturday 26th September.

A letter drop will be carried out to the residents in the vicinity of these proposed works.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2.

We trust that our proposals meet with your approval.

Yours faithfully,

Kim Barrows
