Dear Sir,

Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill, Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/2474/CC(EIA) – Condition 11 (Out of Hours Working).

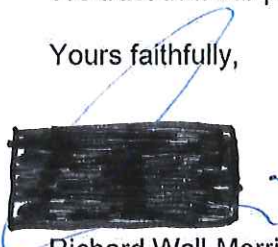

Following our recent discussions, we are writing to request approval for 2no. operatives to enter the site on the afternoon of Sunday 23rd November to turn on 2no. pumps at Pond E6. The reason we require this approval is to allow Oxford Archaeology to continue their work in this area on Monday 25th November.

Due to the possible noise from the pumps a letter drop will be carried out to the residents in the vicinity of Pond E6.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2.

We trust that our proposals meet with your approval.

Yours faithfully,

Richard Wall-Morris
Project Manager
