Dear Sir,

Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill, Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/247/CC(EIA) – Condition 9: Temporary Construction Works.

Following your approval letter (Ref: RR/2474/CC(EIA)GM/SLI), dated 04/04/2014, to use an alternative route through Glovers Lane for 1no. low loader, 1no. hiab and 1no. flat bed vehicle transporting band drain equipment, we are now seeking approval to use this route to allow the plant to leave site.

The reason we need to use an alternative access route through Glovers Lane is due to the height restrictions at Ninfield Road Bridge, preventing use of the access from the Elva Way entrance, but also the weight restriction at the existing Crowhurst Road bridge prevents entry from the Hastings end of the scheme.

The necessity to use the Glovers Lane access route would be between 10:00am - 15:00pm on Friday 11th April 2014. However should the plant not be ready to exit the site for any reason, we are also seeking approval to use Glovers Lane on either Monday 15th April or Tuesday 16th April, as a contingency, but only one of the three days will be used.

A letter drop will be carried out to the residents along Glover Lane as per previous occasions that we have used this route for access.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2

We trust that our proposals meet with your approval.

Yours faithfully,

[REDACTED SIGNATURE]
