Your Ref:

Dear Andrew,

**BRITISH GYPSUM LTD ROBERTSBRIDGE WORKS, MOUNTFIELD, EAST SUSSEX – PLANNING APPLICATION FOR PROVISION OF A STRATEGIC DESUPLHOGYPSUM (DSG) STORAGE AREA AND ASSOCIATED DEVELOPMENT FOR A PERIOD OF TEN YEARS, WITH SUBSEQUENT RESTORATION TO LOCALLY OCCURRING HABITATS AND LANSCAPE FEATURES, AT THE FORMER READY MIXED CONCRETE (RMC) SITE**

**PROVISION OF REVISED INFORMATION IN RESPECT OF THE DSG STOCKPILE COVER (COLOUR)**

We write on behalf of our client, British Gypsum Ltd ('British Gypsum'), to provide revised information in respect of the DSG stockpile cover, specifically with regard to the colour of said cover.

In the 'Planning Application Supporting Statement', at paragraph 5.4 we advise that the colour of the stockpile cover would be 'matt finish and black in colour'. Please be advised that British Gypsum has now sourced a stockpile cover that is matt finish and dark green in colour (close to black). We consider that this colour would be more in keeping with the surrounding environment and we subsequently propose that this green cover will be utilised, rather than the originally proposed black colour.

This is a very minor change; however, we thought it best to bring it to your attention. Please do not hesitate to contact us should you wish to discuss this further.

Yours sincerely  
for **URS Infrastructure & Environment UK Limited**
