and the installation of light tubes would require planning permission. I consider that the conversion of the accommodation in the east wing from bedrooms to self-contained serviced residential units would not require planning permission as there is no material change of use occurring to the building itself as the flats will be associated with the existing use of the building as a respite/care home for adults with learning disabilities
Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
t is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
