Environmental Permit

Please note that this development may require an Environmental Permit, a variation of an existing permit or an exemption from an Environmental Permit from the Environment Agency. The applicant must ensure that the operations at the site are in accordance with the Environmental permitting regulations 2008. The applicant is advised to contact the national Customer contact centre on 03708 506 506.

The need for an environmental permit is separate to the need for planning permission. The granting of planning permission does not necessarily lead to the granting of a permit.

Yours faithfully
