overnight closure of both carriageways of the A259 (De La Warr Road) from Glyne Gap roundabout (Hastings Road/A2036) to Dorset Road (A269); at certain steges of the work an overnight temporary mandatory 10mph speed restriction would be imposed on lengths of this road while traffic is escorted through the works area by a convoy system. Access to and from premises accessible from, and only from, the length of road to be closed would be permitted. This would be in the interests of road satety while contractors undertake resurfacing and associated works.

It is expected that the work would last for approximate 14 nights over a three week period starting on or after Monday 24th August 2009 between 2000 and 0600 hours (maximum period).

The Order would come into force on 22nd August 2009 and have a maximum duration of eighteen months.

give notice that at their meeting on 10 December 2008 the Planning Committee of the Regulatory Committee of the County Council were minded to grant planning permission for the following development:

RR/2474/CC(EIA) - Construction of new road including environmental treatment with earthworks, planting flood and noise attenuation, wildlife compensation, and facilities for non-motorised users, A259 Belle Hill, Bexhill-on-Sea to 82092 Queensway, St Leonards-on-Sea.

Following consideration by the Planning Committee the application was referred to the Secretary of State as being contrary to certain provisions of the Development Plan. On 3 February 2009 the Secretary of State confirmed that the Planning Application would not be called in for her own determination. A legal undertaking has been signed by East Sussex County Council and planning permission was granted on 28 July 2009, subject to a number of conditions. The decision in respect of this application was taken following the consideration of environmental information contained in the Environmental Statement accompanying the planning application submitted in August 2008 and the Supplementary Nature Conservation Report submitted in October 2008.

Members of the public may inspect copies of a statement to this decision during normal office hours at the offices of the Planning Department, Rother District Council, Town Hall, Bexilil-on-Sea; Rother Help and Advice Centre. 6 Market Square, Battle; Planning and Environmental Spreader Heatings Borough Council, Aquila House, Breeds Place, Hastings TN34 3UY; Hastings; or at the offices of the Offices of the Council, Countly Hall, St Annès Crescent, Lewes.

This statement sets out the main reasons and considerations on which the decision was based and a schedule of measures required to off-set any major adverse effects of the development. A copy of the Undertaking and the Decision Notice with the conditions attached to it are also available for

# EAST SUSSEX COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

The East Sussex (U6732 Rpss!ands, Bexhilf-On-Sea) (Temporary Prohibition of Traffic) Order 2009

To allow East Sussex Highways to carry out footway surfacing works, East Sussex County Council intend not less than seven days from the date of this Notice to make an Order under Sections 14(1) and 15(1)(b) of the Road Traffic Regulation Act 1984, as amended, which will temporarily close the following length of road:

Temporary Road Closure

U6732 Roselands, Bexhill-on-Sea — from its junction with Primrose Hill for its entire length.

A safe route will be provided for pedestrians however, as this road is a cul-de-sac there is no diversion route available and access may be restricted during works.

The Order commences on 24 August 2009 and lasts for a period of 18 months, or until the works are completed, whichever is the earlier. However, it is anticipated the road will only be closed for two days between 24 August 2009 and 3 September 2009.

If you require any further information telephone the Eastern Area Highways Office on 0345 60 80 193.
