Dear Sir,

**Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill,
Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/2474/CC(EIA)
– Condition 11 (Out of Hours Working).**

I am writing to request out of hours working for Sunday 12th January and Sunday 19th January between 09:00am – 16:00pm in the old railway cutting between Ninfield Road Overbridge and Glovers Farm Overbridge.

The reason for the request is so that we can carry out a topographical survey of the railway cutting. The works will involve 3no. Operatives, their surveying equipment and 1no. vehicle. There is no intention to use machinery or any additional lighting, thus no noise or light pollution is anticipated. This is an activity that is best carried out outside of normal working hours for safety reasons as the haul road runs through the railway cutting.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2.

We trust that our proposals meeting with your approval.

Yours faithfully,

Richard Wall-Morris
Project Manager
For the Hochtief – Taylor Woodrow Joint Venture
On behalf of East Sussex County Council
