Dear Sir,

**Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill,  
Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/2474/CC(EIA)  
– Condition 11 (Out of Hours Working).**

I am writing to request out of hours working for Thursday 27<sup>th</sup> March between 01:00hrs – 03:00hrs. The essential works shall consist of alterations to an existing foul manhole chamber located at the junction between Ninfield Road and Elva Way.

The reason for carrying out the works outside of the approved hours and in the early hours of the morning is because of the need for the 'flows' to be at their lowest.

The planned plant and resources involved in the operation shall be as follows:

Resources:

- 1no. Supervisor;
- 2no. Operatives; and
- 2no. Tanker Drivers.

Plant:

- 2no. Suction tankers.

This work is not regarded as a noisy activity, so the only expected noise will be vehicle movements, the suction from the tankers and operatives talking, but the noise level of this shall be kept to a minimum.

A letter drop will be carried out to the residents in the vicinity of these proposed works.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2.

We trust that our proposals meeting with your approval.

Yours faithfully,

  
Richard van-Morris  
Project Manager  
For the Hochtief – Taylor Woodrow Joint Venture
