Dear Sir,

**Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill, Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/247/CC(EIA) – Condition 9: Temporary Construction Works.**

We are writing to seek approval to use an alternative route through Glovers Lane for the following plant on the following days:

CFA Piling Plant:

- Thursday 22<sup>nd</sup> May 2014 – 1no. Low loader (empty) to enter the site;
- Friday 23<sup>rd</sup> May 2014 – 1no. Low loader (transporting piling rig) to leave the site;
- Tuesday 27<sup>th</sup> May 2014 – 1no. Low loader (transporting piling rig) to enter the site; and
- Wednesday 28<sup>th</sup> May 2014 – 1no. Low loader (empty) to leave the site.

CMC Plant:

- Either Tuesday 27<sup>th</sup> May 2014 – 1no. Low loader, 1no. Hiab and 1no. Flat bed vehicle to leave the site;
- Or Wednesday 28<sup>th</sup> May 2014 – 1no. Low loader, 1no. Hiab and 1no. Flat bed vehicle to leave the site;
- Or Thursday 29<sup>th</sup> May 2014 – 1no. Low loader, 1no. Hiab and 1no. Flat bed vehicle to leave the site;
- Or Friday 30<sup>th</sup> May 2014 – 1no. Low loader, 1no. Hiab and 1no. Flat bed vehicle to leave the site.

Structures Assistance Plant:

- Tuesday 27<sup>th</sup> May 2014 – 130tonne Crane to enter the site; and
- Thursday 29<sup>th</sup> May 2014 – 130tonne Crane to leave the site.

The reason we need to use an alternative access route through Glovers Lane for all the above is due to the height restrictions at Ninfield Road Bridge, preventing use of the access from the Elva Way entrance, but also the weight restriction at the existing Crowhurst Road bridge prevents entry from the Hastings end of the scheme.

The necessity to use the Glovers Lane access route would be between 10:00am - 15:00pm on each of the days specified.

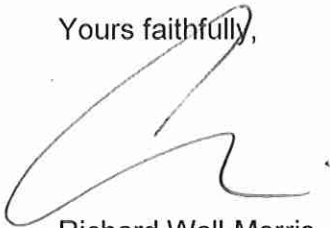

A letter drop will be carried out to the residents along Glover Lane as per previous occasions that we have used this route for access.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2

We trust that our proposals meet with your approval.

Yours faithfully,

Richard Wall-Morris  
Project Manager
