Dear Sir,

**Town and Country Planning Act 1990 Relating to land known as A259 Belle Hill, Bexhill on Sea to B2092 Queensway, St. Leonards on Sea, East Sussex RR/2474/CC(EIA) – Condition 9 (Temporary Access).**

We are writing to seek approval to use an alternative access from Mayfield Lane for site vehicles constructing the footpath access between Queensway and Mayfield Lane.

Vehicles and plant that would need to use this access include:

- Small site vehicles;
- 1 x Concrete delivery wagon;
- 1 x Type 1 delivery wagon;
- 1 x Tarmac delivery wagon;
- 1 x 4 ½ tonne excavator; and
- 1 x 3 tonne dump truck.

We would require use of this access between Friday 11<sup>th</sup> September 07:00hrs and Saturday 19<sup>th</sup> September 13:00hrs, during the normal construction hours approved under condition 11. We will not be looking to use this access outside of these hours.

Although, the works should be completed within the time period outlined above, we would like to also request use of this access between Monday 21<sup>st</sup> September 07:00hrs and Wednesday 23<sup>rd</sup> 19:00hrs as a contingency.

We require this access point as it will allow us to carry out works during normal working hours. The alternative access off Queensway requires traffic management on the road which can currently only be accommodated at night resulting in night works therefore we feel the use of this access would cause less disruption to the adjacent residents.

A letter drop will be carried out to the residents along Mayfield Lane and Bodiam Drive.

This application is made on behalf of the Assistant Director – Transport and Operations, East Sussex County Council and the relevant cost code for payment of fees due is C.5.04.200.2

We trust that our proposals meet with your approval.

Yours faithfully,

Kim Barrows
