Dear Sir/Madam

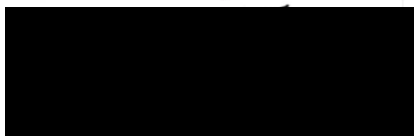

Town and Country Planning Act 1990

Additional plant to support increased use of local mineral from Brightling Mine at Robertsbridge Works.
Robertsbridge Works, Eatenden Lane, Mountfield

I write to confirm that the Head of Service - Strategy and Planning, in exercise of his delegated authority on behalf of this Council, raises no objections to the above proposal subject to the following:

The County Council is advised that Rother District Council does not wish to restrict grant of consent subject to the County Council being satisfied that the development will safeguard the ancient woodland and the Limekiln Wood Complex Site of Nature Conservation Importance close to the site.

Yours faithfully

Head of Service - Strategy and Planning
